Menu Information

Monday to Saturday dinner reservations are from 6.30pm. On Sundays, lunch is served from 12.00pm with last seating at 3.30pm. We are though flexible with timings if necessary and you can reserve the space at any time.

For 12 guests or more we kindly ask you to select the menu in advance for the entire party (one option per course for which we will provide alternatives for guests with special dietary requirements).

If you wish to create a bespoke menu for your event, the team will be happy to discuss your requests and create a menu based on our current à la carte selection, which fully represents the Boundary Restaurant cuisine.

For up to 12 guests we can offer a “reduced à la carte” menu of four options per course specially created by our Chef where your guests can choose from on the night.

Choice menus can be arranged with a choice between two main courses. This is typically at an additional £10 per person. Please note that with such a menu the service will take longer.

Wines

Ranging from artisan and biodynamic growers to aristocratic European estates, our multi-award –winning wine list features approximately 850 constantly changing references. It intends to be both contemporary and classical, with a distinctly Old World European flavour. It also includes a representative selection of great growers and winemakers from around the world with a major focus on fine Bordeaux and Burgundy, and the top wine appellations in the northern and southern Rhône, plus an exceptional list of Italian red wines. Our sommelier can assist with your wine choices either on the day or in advance of your booking.
