SAY “I DO” IN THE HEART OF SHOREDITCH

Housed within a converted Victorian warehouse, Boundary London is a unique, stylish and contemporary wedding venue that encompasses the spirit of East London.

Our rooftop Glass Orangery is the perfect setting for intimate ceremonies, set against the backdrop of the urban city scape.

Alternatively, if your hearts are set on a spectacular affair, then walk down the aisle in our grand open bricked Vault.

For those wanting to tie the knot in private, our Sir David Tang suite provides a secluded setting with a touch of the orient.
A DAY TO REMEMBER

Your special day continues with a drinks and canapé reception hosted on our breathtaking rooftop terrace.

Next, venture down into the Vault and join your guests for a stunning seasonal three course meal, followed by drinks and dancing.

When the night draws to a close, with our bedrooms and suites close by, you won’t have far to go to retire.

... 

And when the sun rises over East London the following morning, you and your guests can relive the memories over breakfast at the iconic Albion Café.
